

Joel Irrigation and Landscaping has been appointed by Bennett Springs Land Development Pty Ltd to provide front landscaping and irrigation to each of the Lots in Bennett Quarter Estate.

Installation of landscaping and irrigation will not commence until this form has been completed and returned to Joel Irrigation and Landscaping. Please note, however, that works will not be commenced until your house has been completed and handed over from your Builder.

Once this form and your site plan have been received, Joel Irrigation and Landscaping will contact you to organise a design consultation. Please complete this form and **fax, email or post** to:
